# West Hall

A stunning new concept in living with care

Happy living for the years ahead

# Imagine...

## exceptional care in beautiful surroundings

If you or someone you love are looking for a long-term home where residents can live a fulfilled life with good company and the support of caring, professional staff, West Hall is the best choice in living with care.

This beautiful 18th century Manor House is designed to exceed the expectations of the next generation of older people and is run by Anchor, a not-for-profit organisation with a proud reputation for quality and care built on 40 years of exceptional service. We are committed to the care and happiness of our residents and aim to support them in continuing their lives by encouraging hobbies and interests enabling our residents to live a full, rich and meaningful life.

Our dedicated care service, combined with West Hall's wonderful environment and facilities, enable our residents and guests to enjoy happy, varied and independent living at one of the country's finest care homes.

## Superior facilities to enhance freedom, choice, dignity and security

West Hall promises to be a wonderful place to live. The stunning 18th century Manor House with its magnificent bistro, beauty salon and library is where many of the social activities take place. We can offer indulgent and relaxing treatments and we even have our own on-site hair salon. Our aim is to be the residence of choice for older people and families who are choosing on behalf of their loved ones. Above all, we go to great lengths to make sure that all of our residents feel comfortable and happy at all times.

We provide high quality care and support for residents living with dementia. All our employees are trained and supported by our dedicated and award-winning dementia specialist team to ensure residents feel valued and able to live life to the full. Please contact us on 0845 140 2020 for a dedicated brochure on dementia.
