- 5 Further information

What is **MyAccount**?

MyAccount allows Anchor customers to securely access their personal information including rental and leaseholder account details.

In the future we will look to expand **MyAccount** to enable customers to complete a variety of tasks including repair requests and online surveys.

The information that you can see on **MyAccount** is live so it's up-to-date. It is the same information used by us at Anchor.

MyAccount can be accessed from the Anchor website (www.anchor.org.uk).

Logging on – using **MyAccount** for the first time

You should have received your username and password emails after completing registration, once you have these details you will then be able to login to **MyAccount**.

Select the service you require by clicking the link highlighted in blue and proceed to enter your username and password, once you click login, which is located in the bottom right hand corner, you will be able to:

- 1 Choose a new username (this should be something unique and memorable)
- 2 Re-enter the current password and choose a new one (this must be at least 6 characters and contain at least one number and one uppercase character for example Anch0r)
- 3 Type a memorable question and answer. This provides extra security for users.
- 4 Click the **Login** button (bottom right hand corner)

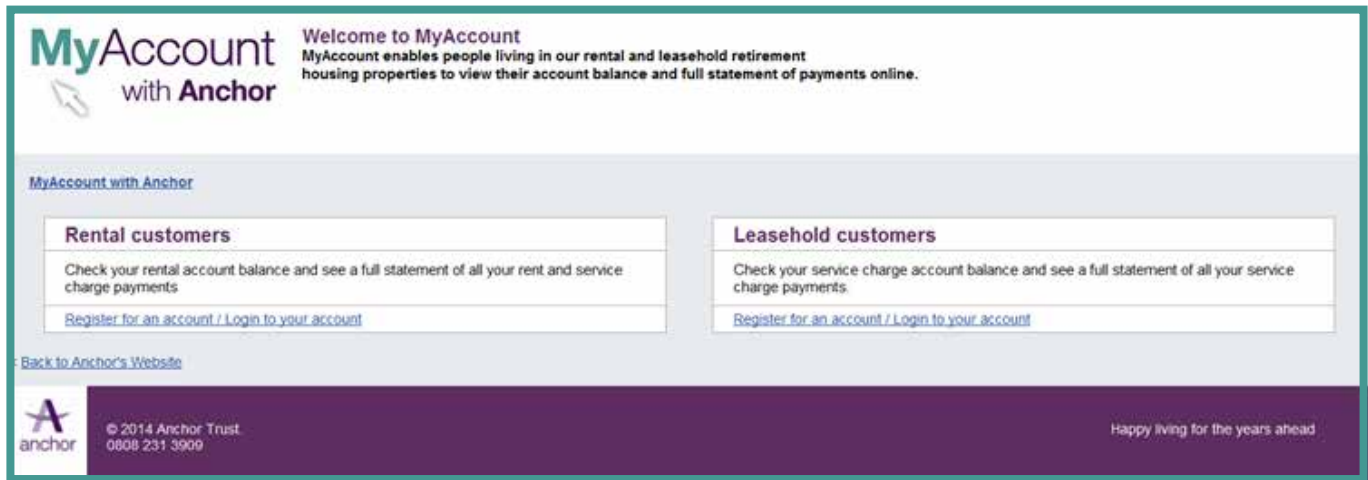

The screenshot shows a 'Login' form with the following fields and labels:

- * Default username: 316213
- * Choose a new username: 316213
- * Re-enter current password: [input field]
- * Choose a new password: [input field]
- * Re-type new password: [input field]
- * Type in a memorable question (you will be asked for the answer whenever you log in): [input field]
- * Type in the answer to your memorable question: [input field]

Buttons: Cancel (bottom left), Login (bottom right)

This will return you to the **MyAccount** home page. You can tell that you are logged in as in the top right hand corner you will see two new buttons Your settings and Log off.

MyAccount security

Anchor takes the security of all customer information extremely seriously. In order to protect the security of personal data held within **MyAccount**, the system closes if you're logged in but haven't used it for 10 minutes or more.

Should you forget your password, this can be reset and reissued automatically by clicking on the [Forgotten your password?](#) link on the log in screen.

The password will be reset automatically and an email will be issued to your registered email address containing these revised details. If you do not receive an email or if you have forgotten your username contact the Anchor Customer Centre on **0808 231 3909**. You will be asked a number of security questions to confirm your identity, ensuring we only pass information to the correct customer.

Accessing MyAccount from a shared computer

If the computer used to access your account information is used by other people (for example a computer in a public library), it is strongly advised that you log off before leaving the computer and close the web browser. This will protect your personal details from being seen by another user.

Simply click the **Log off** button in the top right of the **MyAccount** web page and then close the current web session, and ideally delete your browsing history.

Your settings | **Log Off**

Further information

Should you have any questions about registering, accessing or using **MyAccount** please call us on **0808 231 3909** Monday to Friday, 9am to 5pm or email us at contact@anchor.org.uk
